NetEnt's bearded Spanish explorer has made the leap from NetEnt to Red Tiger for the release of the Gonzo's Quest Megaways slot machine. Boasting six reels and up to 117,649 ways to win on every spin, this Megaways version of the popular adventure-themed slot delivers wins of up to 21,000x your bet.

The

Avalanche and Free Fall features that made the original Gonzo's Quest so popular have been retained, and there are two new additions. You'll love how the reels shake when the Earthquake feature is triggered, and Unbreakable Wilds help you win even bigger in the fictional city of El Dorado.

Discover Riches in the Lost City of Gold

Everything is

bigger and better in the Gonzo's Quest Megaways online slot when compared to the groundbreaking original slot. We return to South America to accompany Gonzo in his search for El Dorado, the lost city of gold. Set in the heart of a dense jungle, the six reels are flanked by engraved stones at the entrance to a temple, with an animated Gonzo adding some personality to proceedings.

While Gonzo performs a little dance for

your entertainment, various Mayan ceremonial masks tumble onto the reels as stone-carved symbols. The least valuable symbols are the bird, fish, snake, and alligator. You will also see five premium symbols, one of which is a new addition for this Megaways slot.

Wondering why one of NetEnt's most popular characters is now dancing across the screen in a Red Tiger release? NetEnt acquired Red Tiger, a company that has licensed the Megaways engine from Big Time Gaming. With both providers being so popular, you can play Gonzo's Quest Megaways slot online for real money at any of the best online casinos. Or simply bookmark this page and enjoy the free version.

Join

the Spanish Explorer From 0.10 Credits

As a maximum of seven symbols can appear on each

of the six reels, the Gonzo's Quest Megaways slots game delivers up to 117,649 ways to win on every spin.

So many opportunities to win may have you thinking that you'll have

to pay an arm and a leg to set sail with Gonzo. Thankfully, that isn't the case. You can choose from seven betting options, with the minimum bet being just 0.20 credits. The max bet of 4 credits will disappoint if you like to play online slots with high limits, but it's important to remember that this is due to the game's win potential.

Our Gonzo's Quest Megaways slot review revealed that the return-to-player (RTP) stands at 95.77%, which is considered average nowadays. Like most free slot games powered by the Megaways engine, volatility is high.

Symbol Match Three Match Four Match

Five Match Six Bird 0.1x 0.2x 0.3x 0.5x Fish 0.2x 0.3x 0.4x 0.6x Snake 0.2x 0.3x 0.5x 0.7x Alligator 0.2x 0.4x 0.6x 0.8x Gray Mask 0.3x 0.5x 0.8x 1x Brown Mask 0.4x 0.6x 1x 1.2x Green Mask 0.5x 0.7x 1.2x 2x Silver Mask 0.7x 1.2x 2x 4x Gold Mask 1x 2x 5x 15x

Experience an Avalanche of Features

Like the original Gonzo's Quest, the Avalanche feature keeps you on the edge of your seat every spin. If you experience multiple wins during a single spin, you'll watch the Avalanche Multiplier increase to a maximum of x5 in the base game.

Our Gonzo's Quest Megaways review revealed that multipliers are worth even more powerful during the Free Fall feature. You receive 9 free spins, with multipliers valued at x3, x6, x9, and x15 active.

Don't leap from your chair if the

reels start to shake when you play the Gonzo's Quest Megaways slot machine. This means that the random Earthquake feature has been triggered. All low-paying symbols are replaced by premium symbols.

Unbreakable Wilds are also new for this Megaways version.

Only two of these wilds can land during a single spin, but they remain in place until your cascades come to an end.

Embark on Another Epic Quest With Gonzo

After you play

Gonzo's Quest Megaways for free, check out the original Gonzo's Quest. As you will see, the graphics and gameplay were well ahead of its time when NetEnt released the game in 2010. It's the game that made the Avalanche feature so popular, and how could you not love watching Gonzo dance?

Do you own a virtual reality headset? Then slip it on and

spin the reels of Gonzo's Quest VR. You'll be treated to a full 360-degree view of El Dorado, and you will also get to see Gonzo's best moves in person. Trust us, it's a far more immersive experience than playing on your desktop or smartphone.

Ready to Win up

to 21,000x Your Bet?

We weren't surprised to learn that a Gonzo's Quest Megaways online

slot was in the works after NetEnt purchased Red Tiger. Nor are we surprised by the execution. This Megaways version took everything we loved about the original Gonzo's Quest, sharpened the graphics, added a couple of exciting bonus features, and cranked up the win potential to a jaw-dropping 21,000x your bet.

The Gonzo's Quest Megaways

slot machine revolves around the Avalanche feature. It's key to securing the largest payouts, after all. However, we must admit that we were very excited by the two new features. It's fun how the reels shake when the Earthquake feature is triggered, and it triggers quite regularly. Unbreakable Wilds were another interesting inclusion that we hope to see in future releases.

Want to play Gonzo's Quest Megaways online slot for

real money? Then follow in Gonzo's footsteps and head over to one of our favourite

online casino sites to grab yourself a generous welcome bonus.

Expectativas de 2 millones de votantes en la elección presidencial de Mauritania

Se espera que alrededor de 2 millones de personas acudan a las urnas en las elecciones presidenciales de Mauritania, en lo que podría ser la primera transición de poder civil en la nación del desierto.

Después de la independencia de Francia en 1960, el estado oesteafriano experimentó varios golpes de Estado en los años siguientes. La incipiente democracia ha sido relativamente estable desde 2024, cuando Mohamed Ould Ghazouani fue elegido presidente.

Candidatos y expectativas

Ghazouani, de 67 años, ex jefe del ejército y figura clave en el golpe de Estado de 2008 que derrocó al primer presidente democráticamente electo del país, Sidi Abdallahi, busca la reelección para un segundo y último mandato de cinco años en las elecciones del sábado.

La Comisión Electoral Nacional Independiente (CENI) ha autorizado a seis candidatos para competir en las elecciones junto a Ghazouani. Si ningún candidato recibe la mayoría absoluta el sábado, se realizará una segunda vuelta en dos semanas entre los dos candidatos con más votos.

El principal oponente es el líder de la oposición y parlamentario Biram Dah Abeid, quien se ha ganado el respeto como defensor de la igualdad racial en un país que fue el último en el mundo en abolir formalmente la esclavitud en 1981.

Abeid ha culpado al actual gobierno de las malas condiciones económicas en el país, donde la mitad de la población vive en la pobreza multidimensional, según las Naciones Unidas.

"El régimen de Mauritania siempre ha vivido del saqueo de la riqueza, la represión de las poblaciones y el uso de falsificaciones", dijo el activista de 59 años recientemente en Nouakchott, la capital.

El favorito y los desafíos

Sin embargo, se espera ampliamente que el actual presidente vuelva a derrotar a Abeid, quien fue subcampeón en 2024.

Gilles Yabi, fundador del think tank Ciudadanos de Dakar, dijo: "Ghazouani ganará debido a las ventajas habituales de la incumbencia y encarna el perfil típico de los presidentes de Mauritania, habiendo sido un general, jefe del ejército y ministro de Defensa. Es extremadamente difícil pensar que habrá una sorpresa en quién gane estas elecciones".

Mauritania, con una población de 4,7 millones de personas, también está bajo los focos internacionales debido a su pasado de golpes de Estado en una región con seis golpes de Estado exitosos en menos de cuatro años.

Dos de esos golpes tuvieron lugar en Mali, vecino del este, que continúa lidiando con una violencia yihadista de una década.
