British gambling company

Bet365 is a British gambling company founded in 2000. Its product offering includes sports betting, online casino, online poker, and online bingo. Business operations are conducted from its headquarters in Stoke-on-Trent, alongside a satellite office in Malta. It was founded by Denise Coates, who remains the majority shareholder and joint-chief executive, alongside her brother John Coates.

Overview [edit]

Bet365 is an online gambling company offering sports betting and casino type games.

In addition to the company headquarters in Stoke-on-Trent, Bet365 have further offices in Manchester, Gibraltar,[1] Malta,[2] Bulgaria and Australia. The group employed over 4,000 people as of 2024.[3][4]

Bet365 is a trading name of Hillside (New Media) Ltd.[5] and operations.

History [edit]

Bet365 was founded in 2000 in a portable building[3] in Stoke-on-Trent by Denise Coates. Denise developed a sports betting platform and trading team to launch the business online in March 2001. The business borrowed £15 million from Royal Bank of Scotland against the family's betting shop estate which had been started by Peter Coates in 1974 and had been run by Denise Coates as managing director from 1995. Bet365 sold its betting shop chain in 2005 for £40 million to Coral and paid off its loan to RBS.[6]

Bet365 chairman Peter Coates was also the chairman at Stoke City and in May 2012 Bet365 signed a three-year contract with the club to become shirt sponsors.[7] In April 2024, the company became the new title sponsors for the club's stadium for the next six seasons, replacing fellow local enterprise the Britannia Building Society.[8] In the summer of 2024, Bet365 also signed shirt sponsorship deals with Bulgarian clubs Ludogorets Razgrad and Slavia Sofia for the upcoming two seasons.[9][failed verification]

Bet365's reported figures (March 2024-21) showed revenues of £2.8 billion and a profit of £470 million before tax.[10]

Denise Coates, joint chief executive, continues to run Bet365 and is the majority shareholder with 50.1% of the shares. Her brother John, joint chief executive, runs the business alongside her, with her father Peter holding the position of chairman.

In the summer of 2024, the largest UK bookmakers and online casino operators William Hill, GVC Holdings, Flutter Entertainment, Stars Group and Bet365 entered into an agreement to transfer funds to combat gambling addiction. They agreed to increase the amount from 0.1% to 1% of gross income in the next five years. The initiative was welcomed by a harm reduction group, but also received criticism for its perceived inadequacy; one MP described it as "a bribe to appease campaigners and the UK government".[11]

Overseas operations [edit]

In 2024, shortly after the U.S. Supreme Court ruling on sports betting allowed U.S. states to regulate sports betting, Bet365 announced plans to launch in the United States starting with the state of New Jersey with a partnership with Hard Rock Hotel and Casino in Atlantic City.[12] The company would later announce in September 2024 that Bet365 will launch in Colorado with a licensing and revenue share deal with Century Casinos. Bet365 opened up operations in Colorado on 6 September 2024.[13][14]

In April 2024, Bet365 was also launched in Ontario after it was approved by the Alcohol and Gaming Commission of Ontario to conduct sports betting activities in the province following the passing of a new Canadian law that legalized single-game betting.[15]

Awards and achievements [edit]

At the eGaming Review Operator Awards 2010 organised by eGaming Review magazine, Bet365 won the "Operator of the Year" award.[16] Bet365 ranked third in The Sunday Times Profit Track

100 league table, which ranks private companies in the UK based on profit growth rate.[17] Bet365 was also ranked as one of the fastest growing privately owned technology, media and telecoms companies in The Sunday Times Tech Track 100 league table.

eGaming Review magazine has ranked Bet365 the number one Internet gaming company in 2010, 2011 and 2012 as part of its annual Power 50 list of the top 50 most influential Internet gaming companies.[18] Denise Coates, founder and joint CEO of Bet365, received a CBE in the 2012 Queen's new year honours list for services to the community and business.[19] In February 2013 Denise Coates was named as one of the 100 most powerful women in the United Kingdom by Woman's Hour at BBC Radio 4.[20]

In December 2024, Bet365 won the coveted SBC Bookmaker of the Year for the third consecutive year.

Controversies [edit]

In October 2014, The Guardian newspaper reported that the company had been taking bets from Chinese citizens by using obscure domain names in order to avoid government web censorship.[21]

In 2024, Bet365 was fined R\$2.75 million AUD by the Australian Competition & Consumer Commission for misleading advertisements which falsely promised "free bets" to customers.[22] Denise Coates became the highest paid executive in the UK in 2024, awarding herself a salary of £217 million.[23] In 2024, her pay packet rose to £265m as the company reported profits up 31% to £660 million, prompting criticism from problem gambling charity groups.[24] In January 2024, Bet365 ranked second on The Sunday Times list of the UK's top taxpayers, with the Coates family (Denise, John and Peter) paying an estimated total tax of £156 million, of which £99 million was paid by Denise alone.[25]

Further criticism highlights repeated cases of Bet365 delaying or denying payment to winning players. For example, Bet365 was taken to court for refusing to pay over £1 million in winnings to a horse bettor in Northern Ireland in 2024.[26] The company refused a payout of £54,000 to a customer in England in 2024, a case which was still ongoing in 2024.[27][28] In Australia, Bet365 froze the account of a punter who had won around R\$200,000 AUD in 2024, refusing to pay out.[29] These are just some of the most noteworthy instances; several more cases of Bet365 refusing to pay winnings have been reported by gamblers on Internet gambling forums.[30][31] Although gambling is illegal in most jurisdictions of India, Bet365 nonetheless conducted surrogate advertising in the country. India's consumer affairs ministry served notices to various television channels and apps for promoting gambling companies and asked them to stop showing ads from Bet365 and other betting platforms immediately.[32]

Media [edit]

In the UK, the face of Bet365, since 2010, has been actor Ray Winstone.[33]

Caitlin Clark, la estrella de la WNBA, enfrenta una iniciación dura en la liga

Caitlin Clark, la jugadora de baloncesto estrella de la WNBA, ha sido objeto de una iniciación dura en la liga desde que ingresó a la misma como la primera selección general. Desde entonces, ha tenido que enfrentar una feroz presión debido a las altas expectativas y ha perdido nueve de sus primeros 11 juegos con los Indiana Fever, quienes han terminado últimos en su conferencia en las últimas tres temporadas.

A pesar de que muchos seguidores cercanos de la WNBA esperaban que Clark no tuviera las cosas tan fáciles como lo hizo en la universidad, eso no ha impedido que sus legiones de fanáticos tomen personal cualquier crítica y la atribuyan a una conspiración más amplia de la liga para reducir su nueva vaca lechera.

Un comienzo difícil en la WNBA

Desde su ingreso a la liga, Clark ha tenido que enfrentar una marcada atención y una defensa agresiva en cada juego. Incluso ha habido momentos incómodos, como el ocurrido en el partido contra los Chicago Sky, donde la guardia Chennedy Carter la derribó sin miramientos mientras esperaba un pase. Aunque Carter se negó a hablar sobre la jugada después del partido y la estrella Angel Reese se ausentó de su conferencia de prensa en solidaridad, esto solo avivó las llamas de la controversia.

Una estrella bajo escrutinio

El panel del programa First Take de ESPN dedicó 40 minutos a discutir si existe una conspiración en contra de Clark, mientras que en el siguiente programa, Pat McAfee defendió apasionadamente a Clark y la calificó como una "blanca con estrella" en un comentario que más tarde se retractó.

Incluso el periódico local de Chicago, el Chicago Tribune, se refirió a la falta de Carter sobre Clark como "egregiosa" y consideró que, fuera de un contexto deportivo, podría haber sido considerada una agresión.

La realidad de la situación

La realidad es que los jóvenes jugadores, no solo las novatadas, en todos los deportes suelen pasar por un proceso de iniciación. Esto incluye a Clark, quien, como analiza Michael Harriot, es objeto de una estrategia común: "¿Qué pasa si la golpeamos?".

Históricamente, la NBA ha tenido las reglas de Jordan y Hack-a-Shaq, la NFL ha realizado modificaciones a su reglamento para proteger a Tom Brady y Peyton Manning, y Jackie Robinson sufrió un infierno al integrar el béisbol en 1947.

Si Clark jugara un "deporte de hombres", como se le conoce al básquetbol masculino, no cuestionaríamos las tácticas agresivas defensivas, ya que muchos fanáticos, equivocadamente, no pueden concebir que las atletas femeninas sean tan duras como sus contrapartes masculinas. Le daríamos a estas tácticas un nombre encantador: los Códigos de Clark.
