A Night Out Slot

Playtech have emerged as a superpower within the world of online casino gaming in recent years.

While the speed of the brand's production line is something to behold, the quality of game that Playtech is able to produce is something that is not to be ignored.

Touching on both recognisable and not so recognisable themes, it appears that Playtech has no fear when it comes to trying something new. Ensuring that the "party" really does roll on, Playtech is serving up plenty of fun in the real money online slots game A Night Out. And while the game has been around for a while, it's become a firm casino favourite for players.

The A Night Out video slot certainly has an unusual premise at its centre, as very few games are as literal in name. On top of that, a party vibe runs right through this game, with the graphics used being attention grabbing to say the very least. However, attention-grabbing graphics aside, will A Night Out have you spinning the online slot reels until the early hours? Keep reading our review to find out!

Sipping on Cocktails For 20 Paylines

Take a Seat at the Bar The

theme of free A Night Out slot is clearly the game's centrepiece, as we quite frankly haven't ever seen a game quite like it. When you first load up A Night Out you are greeted by a number of lovely looking ladies sitting at a bar, with this really setting the tone for what the game is all about. The actual graphics used carry the extremely familiar high-grade Playtech production values, but there is much more to the overall look of the UI than just that. When you spin the reels of A Night Out, you get the feeling that you are playing with actual characters, and not just going through the motions. In our eyes this "theme" approach carries plenty of weight and actually adds an extra wrinkle to the A Night Out slot game experience.

A Night Out is an extremely

well designed, with the gameplay matching that to a certain extent. Simplicity runs rule here, with 5 reels and 20 paylines being in effect. Wagers can be tweaked using the "+" and "-" buttons at the bottom of the screen, with the game is built around a selection of fruity and albeit party themed icons.

Shaking things up from the norm, the

usual fruits that you see in other Playtech games have been replaced by straight shooting cocktails. Dressed with kiwis, pears, oranges, strawberries, and pineapples, these drinks sure look mighty tasty. As expect, you also have a selection of ladies to keep an eye out for as the gambling reels spin, with a brunette, a redhead, and a blonde also in the mix.

Pick a Drink, Pick a Partner

Keeping the thrills and spill

rolling on, A Night Out packs in a number of bonus extras. Leading the charge is the beer icon, which ranks as the most functional and valuable symbol in the game.

Not only

does it link players to A Night Out's biggest payout, but it is has the traditional Wild card functions. The dance floor icon represents the scatter, so by landing three or more of these symbols on screen you can instantly win a prize. Finally, you have the free spins driven bonus game, which can be unlocked when you find the bartender symbol on reels one and five. From there, pick a drink, pick a partner, and the night ahead is very much your oyster.

Keeping the Party Going

A Night Out is a game from Playtech that

really does live long in the memory, as its party vibes are nothing short of relentless. You can even enjoy the game on tablet wherever you go.

Finding a game that

carries the same "spirit" – if you pardon the pun – is probably a little difficult, however the same can't be said for same gameplay, as A Night Out does have a few rivals. Shining a spotlight over a few that we think are worth mentioning, players certainly shouldn't ignore alternative Playtech recent releases in Lotto Madness and Halloween Fortune. Somewhat fairly we can say that these two games lack the pizzazz of A Night Out, but thankfully none of the fun.

Try A Night Out for Free Today!

When

something different comes along within the world of real cash slots, it should roundly be praised. This is certainly the case when it comes to A Night Out, as the theme of this game is striking to say the very least. While it's gameplay could do with a little extra polish in places, there is no denying that A Night Out is both a unique and enjoyable game that's well worth trying on for size.
