About 360bet Sportsbook

360bet is still quite a new online sportsbook designed specifically for Nigerian sports fans and sports bettors, offering competitive odds in most sports and across many competitive markets.

The site is especially popular with football fans, thanks to their extensive coverage of both African and international footballing fixtures. 360Bet offers a range of services including pre-event betting, live in-play betting, secure online payment systems, mobile sports betting and more.

Desktop & Mobile Betting

If one were to compare top online sports betting desktop sites, 360bet certainly would not rank amongst the prettiest or simplest. The 360bet desktop does take a bit of getting used to and most features are not intuitive, meaning that you would need to spend a bit of time learning how the site worked. That said, all the main features that you would need from a competitive sports betting site are there and work as intended.

The mobile version of the site is slightly lighter than the desktop version which makes it somewhat easier to use on the go.

The same basic interface is still in place but is less cluttered and getting to the available matches and fixtures is a bit easier to do. All the main services are still available including secure mobile payments, access to bonus offers, live in-play betting and so forth.

Reliability

Even though the 360bet website is less attractive and slightly harder to use than other competing sportsbooks, it is still very reliable, with regularly updated odds across all major markets and sports options. The brand is registered and licensed through the Lagos State Lotteries Board, which effectively means that 360bet is closely monitored by the Nigerian government to ensure smooth running, reliability and above board practices. Additional licensing and regulation exists

through Curacao eGaming, the official licensing body of the Government of Curacao.

Betting options, in-play, live streaming

Both pre-event betting and live in-play betting options are available at 360bet, giving Nigerians the scope needed to enjoy modern online sports betting. Pre-event betting options are fairly extensive with competitive odds and plenty of markets to keep things interesting.

While 360bet does not have live streaming, bettors can enjoy graphic live feeds on select events and sports, with most of the focus being dedicated to local and international football fixtures.

Betting Limits

Bet360 set their minimum allowable bet amount at N50 or, if you are playing from another country, the same equivalent in your preferred currency. The maximum allowable profit that bettors can stand to make regardless of whether betting in a single or system bet slip is set at N3 000 000.

Again, if betting from another country, the same currency equivalent value applies.

Bonuses

360bet feature a number of different sports betting bonus offers and related promotions.

New players signing up for a free account in Nigeria can benefit from a 100% deposit match bonus up to as much as 30,000 Naira or as little as 2000 depending on your specific needs and budget. A minimum of one event on your bet slip is required and the expected turn over before any winnings can be withdrawn from your account is five times at odds of at least 2.00. There is no promo code needed to activate the bonus offer.

Withdrawal options and payout time

360bet offers a fair amount of banking options to suit the needs of most Nigerians and features fast cash outs and instant deposits. The vast majority of withdrawal requests are handled in 24 hours or less, although there are exceptions to this and sometimes you may wait as long as three days before you see your money. Some of this has to do with the payment method selected as well, most of which have been listed below. 360bet use the latest SSL digital encryption to ensure that all data, as well as all transactions are protected from any potential third party attempts at stealing your money or private information.

Popular Payment Options Include:

Ni Xia Lian: a remarkable 61-year-old table tennis player from Luxembourg

Ni Xia Lian, una abuela de 61 años de Luxemburgo, no derrotó al mejor jugador de tenis de mesa del mundo, pero casi. Ella se convirtió en la competidora de mayor edad en la historia de los Juegos Olímpicos en ganar un partido de tenis de mesa cuando derrotó a la jugadora turca de 31 años Sibel Altinkaya. Aunque perdió su próximo partido contra la medallista de plata olímpica y mundial Sun Yingsha de China, su desempeño inspiró a otros atletas y demostró que cualquier edad puede jugar en el deporte.

La carrera de Ni Xia Lian en el tenis de mesa

Ni comenzó a jugar tenis de mesa cuando era una niña en Shanghai después de ver un torneo en la televisión. A los 16 años, ya era miembro del equipo nacional y ganó dos medallas de oro en el Campeonato Mundial de 1983 en Berlín. Le gustó la ciudad tanto que se mudó a estudiar allí poco después y luego se mudó a Luxemburgo después de graduarse. La técnica que aprendió como niña le ha servido toda su vida, y este fue su sexto Juegos Olímpicos. Luxemburgo la eligió para llevar la bandera de su equipo en la ceremonia de apertura.

El partido de Ni Xia Lian contra Sun Yingsha

Sun, de 23 años y actual número 1 del mundo, no solo es 38 años más joven que Ni, sino que también es nueve años más joven que el hijo de Ni. Sun ganó el partido 4-0, pero Ni recibió una ovación de pie y un abrazo del Gran Duque de Luxemburgo después del partido. Ni tuvo que quedarse hablando con los medios de comunicación mucho después de que terminara la sesión y el estadio se vaciara.

La influencia de Ni Xia Lian en otros atletas

Ni es bien conocida en Luxemburgo y adorada en China. Los jugadores más jóvenes del circuito la llaman "Tía" como señal de respeto. Su desempeño en los Juegos Olímpicos de Tokio inspiró a su excompañera de equipo china, Zhiying Zeng, a regresar al tenis de mesa después de tres décadas fuera del deporte. Zeng, de 58 años, quiere seguir los pasos de Ni y mejorar su condición física para intentar clasificar para los Juegos Olímpicos de Los Ángeles en 2028. Ni tampoco descarta la posibilidad de intentar clasificar para los Juegos Olímpicos en el futuro.
