Career [edit]

Breakthrough [edit]

His breakthrough single "Jealous" first appeared on YBNL Nation's collaborative album *YBNL Mafia Family* (2024), before being re-released on 25 March 2024.^{[5][6]} The song is composed of guitar riffs, traditional drums and percussion; it combines African harmonies with elements of country and soul music.^{[5][4]} "Jealous" was produced by Cracker Mallo and is centered around love and the complicated feelings that go along with it.^[4] The visuals for "Jealous" were directed by Director K.^[5]

In June 2024, Fireboy DML released the romantic single "What If I Say".^[7] It was produced by Pheelz, who incorporated a mix of percussion, ambient synth harmonies, and a drum riff into the production.^[8] The visuals for "What If I Say" was directed by TG Omori.^[8] On 1 August 2024, Fireboy DML released another single titled "King", in the song, he declares his worth to his love interest.^{[9][10]} The accompanying music video for "King" was directed by TG Omori; it contains {img} of Fireboy and his love interest in a rose petal embellished Rolls-Royce, as well as {img} of him singing at a fashion show where models walk on a runway.^[10]

Laughter, Tears and Goosebumps [edit]

Fireboy DML released his debut studio album *Laughter, Tears and Goosebumps* on 29 November 2024. It was initially scheduled for release on 25 November.^[11] The album's music is a brand of R&B that combines love and social issues with empirical songwriting.^[11] *LTG* comprises 13 tracks and doesn't feature any guest artist; it amassed over 6 million streams on Spotify three

days after its release.^{[12][13]} It received generally positive reviews from music critics, but was criticized for being labeled an "Afro-Life" record instead of an R&B album. LTG was supported by the previously released singles "Jealous", "What If I Say" and "King".^[14] The single "Vibration" was a fan favourite.

Apollo and Frozen [edit]

On 17 August 2024, Fireboy released the tracklist to his sophomore album, Apollo.^[15]

Ivie Ani of Pitchfork gave the album an 8.3 rating out of 10, calling it "the peak of his vision so far, a melodious, detailed, and effortless album of feel-good pop and R&B."^[16] NotJustOk wrote: "At the base of his writing is a deep-seated knack for introspection, the desire to be himself and a whole others like himself, spinning personal and borrowed accounts of existential crisis, ambition, love, lust and depression."^[citation needed]

In 2024, Fireboy released the single "Peru," which Music in Africa wrote "affirms [his] Afrobeats intelligence."^[17] He was featured on Ladipoe's hit "Running"^[18] and WSTRN's single "Be My Guest",^[19] and Cheque's single "History."

He made a musical appearance on The Tonight Show Starring Jimmy Fallon and performed a medley of the songs "Vibration," from Tears, Laughter and Goosebumps, and "Champion," from Apollo.^[20]

On 6 July 2024, Fireboy announced via his official Twitter account that his third studio album titled "PLAYBOY"^[25] would be out by 5 August 2024.

Artistry [edit]

He has cited Jon Bellion, Passenger and Wande Coal as his key contemporary influences.^[4]

In popular culture [edit]

In 2024, Fireboy DML gained media coverage in Nigeria when his hit single "Champion" was used by FC Bayern Munich for their UEFA Super Cup celebrations.^[27]

Com um último esforço, Mayumi Okada lança uma corda molhada e pesada no Oceano Pacífico. Seu marido, Kuniaki, verifica se as larvas de ostras estão cashback galera bet posição, prontas para amadurecer e se tornarem os valiosos bivalves associados a essa região do nordeste do Japão.

Há três anos, o casal abandonou suas carreiras regulares para construir uma nova vida cashback galera bet Tomari, uma pequena comunidade costeira a 500 km (310 milhas) ao norte de Tóquio. Kuniaki, 54 anos, sempre sonhou cashback galera bet ganhar a vida indo para o mar. Mayumi, 49 anos, apoiou-o, mas também teve suas próprias ambições marítimas.

Hoje, eles se prepararam para cultivar ostras ao longo da costa de Iwate, uma das três prefeituras devastadas por um tsunami mortal há 13 anos. Em uma tenda na doca, as mulheres prepararam conchas de mexilhão vazias que serão usadas para trazer os jovens mexilhões à maturidade. Mas, diferentemente de suas colegas femininas, Mayumi é encontrada no mar tão frequentemente quanto cashback galera bet terra.

A indústria pesqueira do Japão está desesperadamente à procura de mão-de-obra. Como outros setores tradicionais da economia do país, está envelhecendo e diminuindo cashback galera bet sincronia com a população geral. A idade média de um pescador japonês está se aproximando dos 60 anos; cashback galera bet alguns lugares, é superior a 70. Em 1961, o Japão empregava 700 mil trabalhadores do mar, mas o número havia se reduzido para metade no início dos anos 90 e metade novamente cashback galera bet 2024.

De acordo com o censo de cinco anos mais recente, realizado cashback galera bet 2024, a indústria agora emprega apenas 87 mil pessoas, com mulheres representando pouco mais de 11 mil, ou cerca de 13%.

Mulheres no mar

"Quando olho cashback galera bet volta, há muito poucas mulheres que saem para o mar, mas

pelo menos não é zero", diz Mayumi, que se tornará plenamente qualificada no próximo ano, quando completar seu treinamento cashback galera bet uma academia de pesca.

Kuniaki concorda. "Ouvimos sobre empresas que se recusaram a vender barcos quando souberam que as mulheres iriam trabalhar neles, mas as atitudes estão mudando. Mas se as mulheres não estiverem envolvidas, os homens não serão capazes de fazer tudo por si mesmos ... a pesca é do tipo de indústria."

Um número crescente de operadores de pesca está se voltando para as mulheres para fazer face à queda constante na força de trabalho. Mas elas estão contra um setor dominado por homens cashback galera bet todos os níveis e uma resistência cultural cashback galera bet relação às mulheres ganhando a vida no mar.
