What are Power Rangers Games?

Play Power Rangers Games online for free on our website

right now, for two reasons: we have the best of them, first and foremost, and, secondly, we know that you want to take part in one of the best superhero teams in the world of fiction, and we can confidently say that about them, as these warriors have now been around in one way or another for many years, and they will stick around more to come, with this category only growing bigger and better in the process!

While most

of the shows and movies in this franchise you have seen were in English, Japan is actually the origin of these characters, since Power Rangers is actually an English-language remake of Super Sentai, which is a live-action show aimed at morning programming for kids, which is the same for the international productions. It was the show that popularized the Fox Kids block airing in the mornings on the network, and since then, the rest is history.

Of course, you would want to know more about this

history, the characters, their rich backgrounds, and their powers, which is why we will now go into more details, so that playing the games on this page comes easier for you even if you're totally new to the franchise, which we would doubt!

Meet the Power

Rangers from our online games, your new favorite team of superheroes!

A team consisting

of youths with various backgrounds, origins, and personalities are being recruited by an older mentor who teaches them how to Morph into Power-Rangers, which means that not only do they put on interesting suits and weapons on them, but also, in some series, get magical powers. One of their main abilities is to pilot Zords, which are assault machines that together combine to form a really big robot called Megazord. Their weapons are also unique and iconic.

Because their suit designs are mostly the same,

with spandex and helmets with visors, one of the ways meant to distinguish between one another is their color, with the rangers sometimes being named after that:

Red

Ranger

Blue Ranger
Black Ranger
Yellow Ranger
Green Ranger
Pink Ranger

Red and Blue are

present in all the series, with the other colors, powers, and suits being different from one series to another, so it makes sense for that story. Still, one of the main throughlines is that the Red Ranger is usually not only the leader, but the most powerful, and the one tasked with the biggest tasks and challenges to get past. His friends will always band together and as a team, they will defeat any big bad.

Zordon

is the original magician that has recruited the children with special personalities and powers to help him save the universe, and one of the biggest villains in the series is Rita Repulsa, an evil witch bent on ruling over the universe.

Most of the shows in this franchise air on

Nickelodeon, which is why many of the games are made by them, and you can find them battling and interacting with other characters on the network, such as the Ninja Turtles. The newest iteration in the franchise is called PR Dino Fury.

Other notable

series in the universe which you will be able to enter are:

Beast Morphers : Set in the

future where the rangers have been infused with animal DNA to give them special powers, and their Zords are also animal-like.

Ninja Steel: Galvanax wants to take control of

the world through an object called Prism, which the rangers must defend.

Dino Charge:

The rangers must protect the Energem from an intergalactic bounty hunter called

Sledgen, and they use their dinosaur-like Zords to achieve that.

While the 2024 movie

had not been a big box-office hit, it seems that yet another live-action movie has been planned for theaters, a reboot of the series, which we, as fans, are eager for, but until then, you should stick around here and discover new games with Power Rangers to play for free, directly from your computer or mobile device!

Los presentadores de programas nocturnos hablaron sobre la condena por fraude electoral de 34 cargos contra Donald Trump y los republicanos que se esfuerzan por calificarlo como una victoria para el ex presidente.

Jimmy Kimmel

Jimmy Kimmel seguía "con energía" del veredicto de culpabilidad de Trump el miércoles por la noche. "Nuestro ex comandante en jefe logró la mayor cantidad de veredictos de culpabilidad de todos los presidentes", se jactó. "Treinta y cuatro en total, superando a los Lakers de 1972, que ganaron 33 en fila. Y Trump lo logró sin Wilt Chamberlain o Jerry West."

"Fue un día que será escrito en los libros de historia", continuó. "Y para aquellos de ustedes que ven en Florida, los libros de historia son cosas que solían tener en sus escuelas antes de que Ron DeSantis fuera gobernador."

La esposa de Trump, Melania, no estaba en la corte cuando se leyó el veredicto, "pero ella publicó una fuerte declaración hoy, publicando sobre cuánto ama y apoya a su esposo sin importar el resultado del juicio", dijo Kimmel. "Estoy bromeando, no dije nada. No dije nada en absoluto. No se la pudo encontrar. Ella estaba probablemente en línea comprando un nuevo sombrero de verano, no lo sé."

La condena de Trump la semana pasada por fraude electoral que involucra dinero del silencio pagado a la estrella de cine para adultos Stormy Daniels es solo el primero de varios juicios penales para el ex presidente. "Esto fue como el hongo más bajo del grupo", bromeó Kimmel. "Y se siente un poco insatisfactorio, dado el alcance de las muchas cosas ilegales abiertamente
