Detalhes Adicionais Sobre o Ataque à Salman Rushdie

Renomado autor Salman Rushdie revela detalhes adicionais sobre o ataque que o deixou cego de um olho

Renowned author Salman Rushdie has revealed more details about the knife attack that left him blind in one eye, telling CBS' "60 Minutes" on Sunday that he had a "premonition" of the event just days beforehand.

Giving his first television interview since he was stabbed several times on stage shortly before he was due to deliver a lecture at the Chautauqua Institution in New York in August 2024, the Indianborn novelist told Anderson Cooper he had "dreams of being attacked in an amphitheater" before going there.

"I said to my wife, Eliza, 'I don't want to go' because of the dream. And then I thought, 'Don't be silly, it's a dream,'" he recalled.

In another interview, published Monday, Rushdie told the that his eye hung out of its socket "like a soft-boiled egg" after the attack and that losing his sight in it "upsets me every day."

The 76-year-old, widely regarded as one of his generation's most important authors, has received death threats ever since his 1988 novel "The Satanic Verses."

The book draws on a deeply controversial story in early Islamic tradition that claims Satan momentarily intruded in the divine revelations to the Prophet Mohammed, angering some Muslims and prompting Iran's supreme leader, Ayatollah Ruhollah Khomeini, to issue a religious decree, or fatwa, calling for his death.

Violence followed the book's publication-its Japanese translator was murdered, while at least 18 people were killed in demonstrations in Mumbai and Islamabad, according to Reuters.

Acusado de ataque a Rushdie nega as acusações

Hadi Matar, the man accused of stabbing Rushdie and another person on stage, pleaded not guilty to charges of second-degree attempted murder and second-degree assault.

Matar's trial was initially scheduled for January 8 but the court granted a request for its delay earlier that month, his attorney Nathaniel Barone toldat the time.

Recuperação de Rushdie contada no novo livro

Rushdie has now written about the 2024 attack and his recovery from it in a memoir which, he said, he at first resisted writing, before realizing that he "couldn't write anything else." The memoir, titled "Knife: Meditations After an Attempted Murder," will be published Tuesday.
