First Impression

When landed on the 1xBet website, the first thing that caught our eye was the massive selection of sports and markets available. With over 40 different sports to choose from, 1xBet offers more options than Betano, which offers a mere 30. However, what really sets 1xBet apart is their high bonuses for new customers, making it even easier to get started. In addition, Betano's Sport application for mobile devices, available for both iOS and Android, quickly became one of the market's favorites.

Betano On the other hand, when we arrived at Betano's website, what got our attention was their focused approach to customer satisfaction. With a dedicated team focused on resolving customer queries or issues, in languages including Portuguese, Spanish, German, Italian, and French. In addition, we noticed that their application was very user-friendly and offered helpful customer support.

Betano vs 1Xbet

First and foremost, let's examine what made us choose 1xBet. A fascinating feature that drew us in was diversity in sports. Unlike Betano, which only offers 30 sports, 1xBet has a stock of over 40 different kinds of sport. With up to 1,000 different daily events, locating the ideal corner of the sports globe for your wager shouldn't surprise was simple.
