Benefícios de utilizar a Mrjack Bet App

Ao adotar a Mrjack Bet App, os usuários podem contar com:

Go Gold Slot

The Go Gold video slot has certainly got the Midas touch – its reels are dripping with golden stacked symbols. And with its 40 paylines promising a top prize of 48,000 coins and a scatter win of up to 250, could this game turn your real cash bank balance into a life-changing pot of gold? Wagering on Go Gold is very simple, and bets will interest a whole range of gamblers. The 40 paylines are fixed with a coin range of 0.01 to 8.00. Low limit fans therefore can enjoy playing from 0.40 per spin, whereas the high rollers can indulge in the max bet of 320.00.

The team behind this promise of prizes is the Skywind group. They are small but strong players in the iGaming world, boasting Playtech as a partner. Skywind have a versatile range of slots and table games. In this new release, the development team tantalise players with the dream of a multimillionaire's lifestyle.

This wealth-themed slot has 3D game graphics with a very simple design. Oddly for its luxury theme, it has a no-frills approach to gameplay. Short of wild and scatter symbols, there are no additional features to add value here.

5x4 reels are filled with bling. Symbols represent everything the western world associates with a life of wealth and luxury: gold cars, gold mobile phones, diamond solitaire rings and a gold private jet.

There's little to entertain in this online slot. Gamblers who enjoy a feature-filled game or some side action may need to look elsewhere. Still, it will suit players who enjoy the simplicity of spinning the reels to chase the top prizes. The pay table can deliver where it counts, and you need to keep your eyes on the prize to enjoy Go Gold at its best.

Let's take a closer look at Go Gold's mechanics and its pay table to see what this game sets out

to offer online gamblers.

5x4 Reels That Glitter With Gold

When the team at Skywind suggest you Go Gold, they don't do it in half measures. This slot is gold to its core. 5x4 plush red reels are framed with a gold trim that is encrusted with diamonds. Eight symbols plus two specials feature on the reels. Each one is made of solid gold and the metallic surfaces shine in the light.

Here and there is a hint of diamond – in the car's headlights, the jet's engines, and the solitaire engagement ring. The wild symbol stands out as an enormous, sparkling diamond.

Players can achieve prizes of 4x to 1200x their coin bet for landing winning combinations. On a max bet, that makes the top five-of-a-kind prize an attractive 9,600.00

However, the game's top fixed jackpot is 48,000 coins. So, if there are no bonus games or features, how does a player achieve this? We were determined to find that out.

How to Hit the Top Prizes

Skywind has an experienced team, and online gamblers are in reliable hands with their software. Ultimately, having 40 paylines and a larger-than-average reel set of 5x4 means more potential to hit win lines.

Add to that the stacks of symbols that fall, and you can start hitting multiple combinations at a time. The diamond wild is also stacked to substitute multiple times across the reels. The top possible win of 48,000 coins is achieved by landing a full house of 20 gold planes.

The game's logo scatter symbols will also boost your prize pool, awarding payouts multiplied by your total bet. You can win up to 250 for five of a kind, wherever they land on the reels.

The game's medium variance yields some frequent low wins with the occasional big high. We've certainly enjoyed some great highs of up to 4000x our coin bet ourselves while testing it out.

These wins do require patience, though, and with no side games or bonus distractions, the simplicity of the gameplay can get a little dull.

Best Value With Real Money

There is a play-for-free version of the Go for Gold video slot, but this game is best suited to play for real money. There's not enough variation in the gameplay to interest players in free mode for long. More than most other similar slots, this one's all about the money.

Go Gold is appropriately designed using the gold standard of gaming software, HTML5. The mobile-optimized version for smartphones and tablets plays well on a high-spec device. Some of our older testing devices definitely struggled, so make sure you have all the latest software updates to be able to play this game smoothly.

Real Cash Fun With Wealth-Themed Slots

Money makes the slots world go round, and there's certainly a wealth of slots that tap into a gambler's desire for riches.

At the top end of the scale we have Microgaming's slot of luxury, The Finer Reels of Life. This 243-ways-to-win game offers a whole host of features and bonuses that will bring the cash in. It also boasts a staggering top prize of 1,800,000. Despite its age, it is still one of the top-paying money-themed slots on the market.

Netent's high-paying Mega Fortune Dreams rewards you with bounty galore. 20 paylines are bursting with bonus features, a great pay table, plus three progressive jackpots. The game is set on the yacht of your dreams and promises a wonderfully immersive experience. Even if you don't actually win big this time, you still feel like a high roller when you play.

Amaya's Millionaire's Club trilogy of slots features progressive jackpots that feed into each other. Millionaire's Club 3 is by far the best of all three games, offering the highest payout potential. Its 20 paylines evoke a lifestyle most online gamblers can only dream of. Win big in the bonus round of this game, and that dream could quickly become a reality.

Finally, Quickspin's The Wild Chase features wealth from ill-begotten gains. Unfortunately it is not that high-paying, but as a thrilling ride it's certainly worth playing for free. This heist-themed slot has some adrenaline-fueled features, including reel respins and multiplier wilds. If you're successful, you get to sail off into the sunset aboard your well-earned yacht.

Go Gold or Go Elsewhere?

Skywind's Go Gold video slot has some good prize potential that will tempt players to give it a spin. Unfortunately, it lacks dynamic features and an eye-catching design, which means the player experience can prove underwhelming.

While there is good real cash potential under this slot's hood, there's not enough action to keep you interested for long. Endless reels of one color can become saturated very quickly.

Players may feel just like King Midas in the free Go Gold slot. However, we all know the story of King Midas, who quickly realized the limitations of turning everything into gold. Hitting a few big wins is all Go Gold is really about, which will lead some players to lose patience and interest – fast.

For those players who are good at the long game, there is value in the Go Gold video slot. Just don't expect it to be the most thrilling ride out there.
