### Shining Crown Slot

If you're always on the lookout for the king or queen of the fruity slots – then it's time to check out Shining Crown, an online slot game from EGT. As well as some sizable four-figure prizes for spinning-in your favourite fruit such as lemons, oranges, plums, cherries, melons, and grapes, there's also a top-prize of 100,000 coins. You can also win a variety of bonuses and features including Shining Crown Wilds, Scatters, Dollar Signs, Scattered Stars, a Jackpot Cards Feature, and a Double-Your-Money Gamble feature.

Luck will also be shining on you if you prefer to play your slots on mobile, as you can join in the fun playing free slots games for android phones and iOS gadgets. This is also a fun slot aimed at a wide variety of slot players - as there's an even wider selection of credit-bet and credit combinations to choose from.

### Burning Up The Reels

If you enjoy a bit of hot action then you're going to love how each win is celebrated on this 5 x 3 reel, 10 pay-line grid – as all winning symbols burst into flames to show you just how your win was!

### Hot Wins

It's no wonder that winning symbols burst into flames as this game does offer some seriously hot wins. Even the bargain basement fruits like oranges, lemons, cherries and plums pay up to 3,000 coins, whilst bells will be ringing up wins of up to 4,000 coins. There's no juicier fruity payments than melons and grapes though as these pay up to 14,000 coins. However, there is a symbol payout that shines brighter than all the rest – and this is the lucky red 7's which can pay a top prize of 100,000 coins.

### The Bonuses can also

award big prizes with the Shining Crowns on reels 2, 3 and 4, where they can become stacked, loving to go wild and substitute for all other symbols other than the Scatter Symbols. The game's two Scatter Symbols also award big instant prizes with the ScatteredR\$ paying out up to 20,000 coins and the Scattered Star up to 4,000 coins. At any time you can also be awarded the Jackpot Card Bonus in which you'll have the chance to use your powers of perception to play for 4 Jackpots. You must choose between 12

playing cards to work your way up 4 different levels, and if successful you could be awarded either the heart, diamond, club or spade jackpot. Any prize you win of less than 7,000 coins may also be gambled on the Double-Your-Money Gamble Feature – and you can double your money by correctly predicting whether a card is red or black.

### Shining Stakes

This mobile slot has been aimed at slot players of all budgets - and the game's staking system is a shining example of how to do this with credit-bet and credit combinations to suit all tastes.

#### A Shining Example

With big cash prizes and bonuses

available for spinning-in everyone's favourite symbols – we'll sure you'll agree this is a slot that sets a shining example!
