What are Pokemon Games?

Play the latest Pokemon Games Online now and learn how to become a good trainer in the race for Pikachu in these online games. There are few gaming franchises in the world as recognizable as Pokemon is because this is one of Japan's biggest exports when it comes to media, with the franchise having started a few decades ago with the release of a few video games, and then expanded upon its brand with manga series, a highly-popular anime television series which has had all sorts of new remakes and stories over the years, collectible cards, a viral mobile app in the form of Pokemon Go, a successful live-action movie called Detective Pikachu, and, of course, there are lots of Pokemon games online that you can play, with the best of them now being available only on friv games, right here and now!

The beginnings of Pocket

Monsters

It might feel this game has been around forever since there are multiple generations of people that have had experiences with these franchises in one way or another, but it's not such an old series, with it starting off in 1996 with the release of a double video-game by Nintendo called Pokemon: Red and Blue, which was called Pocket Monsters in the original Japanese release.

In these games, you had the chance to

become what is called a trainer, who ventures through various regions of this fictional world, where you battle animal-like creatures of different elements, and if you defeat them, they can be captured and stored into what are called Pokeballs.

Kanto is the name

of the original area in this world that you could explore, and, as a trainer, you had to battle other trainers from the Indigo League, until you have defeated the eight Gym Leaders because that is when you have become a Champion. Each Gym Leader is the boss of a gym where they raise trainers as well as Pokemon, usually with each of them focusing on one kind of pocket monster.

The many adventures of Ash Ketchum and his friends

In

the games you were the protagonist, you could choose the name you wanted to use, and then start your adventure, but this would not work for the anime series that was inspired by the Pocket Monster Games and started off not too long after the first

games, in 1997, which is why we were given a protagonist in the form of Ash Ketchum, a teenage boy who wants to become the best Pokemon trainer and wants to catch them all!

Ash is given a Pokemon called Pikachu to start off his adventures, given to him by Professor Oak, who is the grandfather of Ash's biggest rival, Gary Oak. Pikachu is hard to handle and does not want to get into the ball, but he and Ash eventually form a bond and Pikachu becomes his main character, but it mostly never goes into the ball, but rather would rest on Ash's shoulder. Now having his first Pokemon, Ash can start his adventure to conquer the Indigo League.

In his first adventures, he

befriends a former Gym Leader called Misty, and a breeder called Brock, with the trio then venturing through the regions to capture battle trainers, while also having to deal with the various plans put forth by Team Rocket, made up of the very funny characters of Jesse and James, joined by their talking-character called Meowth, who are always hatching up schemes to steal Pikachu from Ash.

The most popular Pokemon to know about!

In addition to Pikachu, who you already met, there are many other iconic characters that kids and adults alike love a bunch, such as Charizard, who is a fire dragon-like Pokemon who can fly and can spew fire from its mouth, Bulbasaur, who is a grass one who uses its seed and veins to attack, Squirtle, a water type that can shoot water and uses its shell for defense, and Charmander completes this trio of original choices, a fire-type that can be hard to handle, but very useful in battles.

Through

training and the battles that they take part in, trainers can evolve their Pokemon to more powerful versions of themselves, gaining new and more powerful abilities, with Pikachu being famous for stopping his own evolution to keep going on adventures with Ash as himself.

The best Pokemon Games online for kids on our website

Of course, it

comes without saying, that in most of the games with Pokemon online that you play on our website you will be able to have similar experiences as Ash and the other trainers, going around the different regions to capture Pokemon, use them in the battle against other trainers and Gym Leaders, and try to become the champion!

You can play Pokemon

emulator Games online on our website too, where classic games like Emerald or FireRed can be played without needing to have a Nintendo console, or play Pokemon Go Games online where you go through the city to find new pocket monsters, virtually, since you can't really go outside right now.

For girls, we have dress-up games online, where they

can dress up their favorite trainers from the show in new outfits, or have characters from other series be dressed up as trainers. You can also find other formats such as coloring games, where you paint these iconic characters and monsters or even solve puzzles featuring {img} taken from this series.

No matter what you will first play on

this page, we are positive you will enjoy it greatly, so start right now to have fun with these games, like only here is possible!

Consejos recibidos que realmente han resonado: la vida es corta, deja de desperdiciarla

Todo el consejo útil que he recibido 2 en mi vida se ha reducido a una variación del mismo tema básico: la vida es corta, deja de perder 2 el tiempo.

Se presenta en diversos envoltorios poéticos, cada uno profundo o cursi, según el grado de receptividad o 2 cinismo que uno sienta. "No prestar problemas" es mi favorito, una sólida destilación de "Suficiente para el día es el 2 mal del día" de los Evangelios. El poeta Andrew Marvell se dirigió a su amante con la persuasiva "El cementerio 2 es un lugar hermoso y privado, / Pero ninguno, creo, abraza allí." Un millón de memes han florecido a partir 2 de la línea de Mary Oliver "Dime, ¿qué es lo que tienes pensado hacer / Con tu única y preciosa 2 vida?" El mensaje es consistente e irrefutable: Memento mori. Recuérdalo, vas a morir. O, si lo prefieres, YOLO.

Encuentro 2 todas estas exortaciones urgentes y conmovedoras y también difíciles de asimilar. Por lo tanto, siempre estoy agradecido de escuchar el 2 mensaje una y otra vez, de ser recordado sobre ser intencional acerca de cómo gasto o desperdicio el tiempo. Recientemente 2 tuve un recordatorio similar mientras escuchaba una conversación entre David Marchese de The Times y la actriz Anne Hathaway. David 2 le preguntó sobre cumplir 40 años y entrar en la edad madura. Ella dijo que era reacia a considerar este 2 momento de su vida como la mitad porque podría ser atropellada por un vehículo más tarde ese mismo día. "No 2 sabemos si esto es la mediana edad", dijo. "No sabemos nada."

Me acerco a un hito de cumpleaños y 2 trato de no pensarlo como algún tipo de plazo o juicio, y acogí con agrado la perspectiva de Hathaway sobre 2 cómo consideramos el tiempo. Es fácil adoptar como un hábito ver su vida como una línea de tiempo, trazar su 2 progreso a lo largo de esa línea, seguro de dónde está el principio, el medio y el final. Hathaway recordó 2 un momento de despertar cuando, perdido en el estrés, se dio cuenta: "Estás tomando tu vida por sentado. No lo 2 sabes. Algo podría caer del cielo y eso sería las luces apagadas para ti." Ahí estás, quemando luz del día 2 y prestando problemas y yendo suavemente hacia esa buena noche. Memento mori. Algo podría caer del cielo en cualquier momento. 2 ¿Si realmente y verdaderamente lo entenderíamos, cómo sería diferente hoy?
