contente:

Ghost managed to get Roach to the LZ, but both were ultimately betrayed by Shepherd, who fatally shot the two in the chest at point-blank range with a .44 Magnum, just before Ghost could use his ACR. After Shepherd retrieved the DSM from Roach, Ghost's body was thrown into a ditch and set on fire along with Roach's.

Perhaps unsurprisingly, Ghost's actual face appears to be modelled after Samuel Roukin, who provided both the voice and motion-capture performance for the character in Modern Warfare 2. This is in keeping with the series' other characters and their actors, such as Captain Price.
