## Key events

At least 20 people have been killed and several wounded after an Israeli airstrike targeted a house belonging to the Hassan family in al-Nuseirat refugee camp in central Gaza, the al-Aqsa Martyrs hospital said on Sunday.

Witnesses said the strike occurred about 3am local time. Palestinian official news agency Wafa reported that several children were among the injured people, and that rescuers were searching for missing people trapped under the rubble.

"800,000 people are on the road having been forced to flee since the Israeli forces started the military operation in the area on 6 May", the Unrwa chief said on X.
