Information about roulette

Roulette is one of the most popular games, in both online and brick-and-mortar casinos. If you want to enjoy roulette without risking your money, pick one of the games on this list and start playing.

All of the games are identical to those you can find in online casinos when playing for real money. They have the same design, features and payout ratios, with the only difference being the fact that you are playing just for fun in a demo mode.

Learn roulette rules before playing

Online roulette games you can play for free are a great way to get to know the game of roulette and its rules. However, it doesn't hurt to learn more about the game, which you can do by reading our article about roulette rules. It will teach you everything you need to know to play roulette.

Fortunately, that's not necessarily needed. Roulette is a very simple game. You basically just need to place a bet on any number or other sections on the roulette table layout and wait for the result of the spin. You can't influence the result of the game and almost all bets have the same return to player, so the only thing you can influence is the volatility (by changing the types of bets you place).

Note: We mentioned that almost all bets have the same RTP. There is a bet on American roulette on five numbers (0, 00, 1, 2 and 3), which has the worst payout ratio you can get on a roulette table. If you ever play roulette for real money, you should definitely stay away from this bet, and ideally from American roulette in general, as well. Check out our full list of roulette odds to learn more about the differences between various types of roulette bets.

Free European, American and French roulette games

That brings us to the types of roulette you can play. There are two main types of roulette:

European roulette – This type of roulette has 37 sections on the roulette wheel (0 and numbers from 1 to 36).

– This type of roulette has 37 sections on the roulette wheel (0 and numbers from 1 to 36).

American roulette – This type of roulette has 38 sections on the roulette wheel (0, 00 and numbers from 1 to 36).

The number of possible outcomes is different, but the multiples of your bet you get when you win are the same. That means American roulette has a worse RTP (94.74%) than European roulette

(97.3%). You should therefore play European roulette whenever it's available, because your chances of winning are quite a lot higher. Of course, this doesn't really matter when playing just for fun, but it doesn't hurt to pick the better version nevertheless.

Besides European and American roulette, there is also French roulette. It is very similar to European roulette but has some additional rules in favor of the player, which make this type of Roulette player even better for players in terms of minimizing the casino's advantage. Feel free to read our article about differences between various types of roulette if you want to learn more.

Note: It's easy to find an American or European roulette to play for free, while free French roulette games are scarcer. French roulette is mostly available in live dealer versions, which are generally not available in a demo mode. You should be able to find a French roulette game in many of casinos with live games we have in our database though.

Can you play free roulette on mobile devices?

Not all versions of free roulette in our database are playable from mobile devices, but many of them are. If you want to see only games which can be played using mobile phones and tablets, you can use the filter "Mobile Devices Supported".

Note: Unfortunately, some of the games still need a Flash player to run, which is the reason why they can be played only on computers. However, popular older games often get reworked using newer technologies, so some games you can't play from mobile devices at the moment might be accessible to you in the future.

Try out our roulette strategies

If you want to try doing something else than just randomly placing bets and spinning, you can take a look at our roulette strategies. We came up with interesting ways of playing roulette which yield good results in the long run. Of course, they will not make you be a long-term winner on roulette (that's impossible), but they can be used to gain a good chance to reach a predetermined result. We also wrote an article about so-called scam roulette strategies like Martingale that are often presented as a surefire way to make money and "beat" the casino. Of course, that's not true, as you'll sooner or later lose your entire bankroll if you follow these strategies. Feel free to try them out when playing roulette for fun but stay away from when playing for real money. Read the article linked above to find out why.

### Ahmed Saeed Abu Fares: el hombre que sonríe después de saber que su familia en Gaza está a salvo

Ahmed Saeed Abu Fares se inclina cómodamente en su silla de plástico barata y sonríe. Acaba de recibir una llamada de su hermana mayor en Gaza. Aunque está a solo 90 millas de distancia en Jordania, esto es un logro. La conversación es breve, pero lo suficientemente larga como para que Abu Fares pueda escuchar que ella está a salvo. También lo están sus hijos. Por primera vez en semanas, el hombre de 63 años, reciclador de chatarra, se relaja.

"Simplemente no podíamos comunicarnos para verificar cómo estaban. Cuando bombardearon su casa y mataron a dos de mis sobrinas, pasaron dos semanas antes de que me enterara. Así que he estado nervioso cada vez que suena el teléfono. Cada vez, es terror o miedo", dice Abu Fares. "Ahora me siento mucho mejor. Dice que están todos cansados pero bien."

En Wehdat, un vecindario en su mayoría palestino en la capital jordana, Amán, donde Abu Fares ha vivido desde su llegada en 1967, muchos comparten una odisea diaria similar.

Con el saldo de muertos en Gaza ahora superior a las 38.000 y con 87.000 personas heridas, según los funcionarios de salud palestinos, muchos en Wehdat pueden contar historias de parientes asesinados o heridos.

La cuñada de Abu Fares fue obligada a huir de su hogar en el norte de Gaza cuando las tropas israelíes avanzaron en el territorio, después del ataque sorpresa de octubre en el sur de Israel por militantes de Hamas que mataron a 1.200 personas, en su mayoría civiles, y secuestraron a 250.

"Todos sentimos lo mismo. Casi todo el mundo en el campo tiene a alguien que es un mártir en Gaza y no pueden hacer nada al respecto", dice Abu Fares. "En Gaza tienen hambre. Sabemos esto, pero ¿qué podemos hacer? Solo podemos llamarlos, y de 50 veces que llamamos, responden una vez."

Wehdat solía ser un campamento de refugiados, que brindaba un refugio rudimentario a los palestinos obligados a huir a Jordania durante las guerras alrededor de la creación de Israel en 1948. Llegaron más después de la guerra de 1967, cuando Israel ocupó Gaza y Cisjordania.

Más de 2 millones de palestinos están registrados como refugiados en Jordania, y se estima que aproximadamente la mitad de la población de más de 11 millones del reino tienen raíces palestinas, incluidos la reina Rania. Muchos tienen
