The Genting Progressive Texas Hold'em Poker system allows multiple credit betting and dealer hand bets. Players can participate in the auxiliary game by placing a side bet on their own hand and/or on the dealer's hand. If the player's hand matches one of the winning cards or hands on the side bet payout chart, he wins.

Poker clubs aren't illegal in Texas. Anyone can gamble for money in a private place as long as the house doesn't profit from the game.
