From Football, Tennis, Basketball and Horse Racing, to delicacies like Snooker, Winter Sports, and Greyhound Racing – 10bet provides for it all. There is something for everyone, with an enormous number of leagues to splurge on. 10bet comes with the option of building your perfect bet, on any match of your liking. You can combine several bet combinations into a single bet, to make a bet which you desire to punt on. This essentially means that there an infinite number of bets you can punt on, and a number of ways for you to reap profits!

10bet provides for competitive odds. It must be kept in mind that you must scout several bookmaker sites, and choose a site which offers the best margins for bets you want to place. That being said, to assess the quality of 10bet's margins, we calculated the Odds Overround. In theory, this is the number you will obtain when you Add the Probability Percentages of every possible outcome in a betting variant.

Ideally, this number should be 100%, but given that a 100% Market means no profit for a Bookmaker, anything below 110% is worth considering. To determine the Odds Overround, we determined the figures for 3 Random Football matches in the English Premier League. The odds were found to be 106.3%, 106.2%, and 106.2% respectively. This in turn shows that 10bet offers quality odds, which are competitive in nature.

Esports

If you are into Esports, you will be pleased to know that 10bet offers several Esports to bet on. Esports is a global sensation to say the least, and 10bet offers one of the best betting markets for the League of Legends, and Counter Strike: Global Offensive. 10bet also offers Betting Markets on a massive range of competitions, including the likes of Starcraft 2, Overwatch, Dota 2, The International, and Master League and Pro League. the World of Politics or special events like the annual Eurovision Song Contest. You could always check the current special occasions on the site of 10bet.

Cash Out and Bet Builder

As one of the best online betting sites with cash out, 10bet also offers Bet Builder feature. Cashing Out is a unique feature in the world of betting, which allows you to receive a predetermined sum of money on your bet, which is lesser than the amount you punted on, before a match has finished to potentially avoid losing everything. 10bet Cash Out is not available for System Bets, Forecast Bets, and Tricast Bets. To learn more about the feature, Cash Out, click here. Bet Builder is another fascinating feature, which allows you to create a Unique Bet Slip, with betting combinations of your choice. This is a very exciting prospect, and worth a shot if you know your market, and have performed your due diligence.
