9 bonuses mean you never get bored playing King Kong Cash slot machine

If you're the

type of player who gets a kick out of multiple bonus features then you'll love the King Kong Cash online slot. This amazing virtual machine from Blueprint Gaming offers players 5 reels and 20 paylines from just 20p stakes. With a whopping 9 bonus features, the slot gives players even greater chances of walking away a winner.

Plus if you like

to bet big, the King Kong Cash slot machine accepts wagers of up to £500 a spin, so there's no shortage of action for high rollers to get involved in. Not least of all, there's also a chance to trigger payouts of up to 1000x your stake.

Try out the King

Kong Cash slot right now for free, or if you want to advance to real money betting, click on any of our top rated casinos on this page.

Among all the animal symbols it's

the King Kong Cash logo that pays the most

There's no shortage of symbols flying by as

you spin the reels at King Kong Cash. But while you might think the monkey delivers the highest returns, you'd be wrong. In the main game at least it's the King Kong Cash symbol that will award you up to 500 coins for five matches across a payline.

When King

Kong wakes, players are in for a treat

You could be forgiven for thinking that waking a

sleeping giant monkey is a terrible idea, but in King Kong Cash it's just the opposite.

Whenever the snoozing ape suddenly stirs, a great bonus is about to be unlocked.

Banana

Canon Wilds - fired from Kong's cannon, will turn reel symbols into wilds at random.

The Golden Barrel Super Spins launch exploding barrels onto the reels which change into

the same random symbol, awarding players with an extra win.

There's also the Spin

Streak feature, where King Kong hammers the reels with a mallet to trigger re-spins.

These continue until a winning match is made. Finally, there's the Bonus Boost, where barrels added to the reels increase your chance of unlocking the slot's main bonus features.

Three King Kong bonuses trigger the game's most lucrative bonus features

When

you land three of the King Kong symbols on the reels you'll unlock the best bonus games this Blueprint Gaming machine offers. A spin of a wheel will reveal which one it is you've been lucky enough to land. There are four bonus games available to play, these include:

Empire Free Spins, which catapults players from deep in the jungle to the top of the Empire State building in New York. You'll be playing this game on a completely unique set of reels. The idea is to gather as many golden money symbols as you can before a bomb symbol shows up.

If you land Barrel Blast, you need to pick 3 of the same

barrels to win a prize, while 3 Golden Monkeys will take you to the Big Money bonus game. In King Kong's Trail, the action takes place in an old school video game, where again 3 Monkeys can trigger the main bonus. Last but not least is the Free Spins feature, where you'll play on 5 reels with 40 paylines, and collect wilds for a chance to land super spins.

The Big Money Bonus is where King Kong Cash's 1000x multiplier can be won

The final of King Kong Cash slot's 9 incredible bonus features is the Big Money Bonus. This is where that top payout of 1000 x your betting stake can be unlocked.

You

can only make it to this level via one of the previous 4 bonus games, so pray that you land those lucrative Golden Monkeys (whilst in any of King Kong Cash's bonus features) as these are your golden ticket to that x1000 stake prize.

Slots traditionalists might

be put off by King Kong Cash's features, but not us

With 9 different bonuses breaking

up the reel action on the King Kong Cash online slot we can appreciate why some old school slots players might give this one a swerve. For us, King Kong Cash Slot scores top marks for offering these fun bonus features.

We're big fans of games that take

advantage of the online platform, but not at the expense of style over substance. With medium variance wins, even at lower stakes, no one can accuse King Kong Cash slot machine of that.

Mexicanos van a las urnas en una histórica elección presidencial

Los mexicanos acudieron a las urnas el domingo para votar en una histórica elección presidencial esperada que devuelva al país su primera presidenta.

Las dos principales candidatas presidenciales son Claudia Sheinbaum del partido de izquierda Morena y Xochitl Gálvez, del partido conservador PAN, quien representa una coalición de partidos de oposición.

El tercer candidato es Jorge Álvarez Máynez, el más joven en la contienda, quien representa al Movimiento Ciudadano de centro-izquierda.

La elección del domingo es la más grande en la historia del país. Más de 98 millones de votantes están registrados para emitir un voto en México, y 1.4 millones de mexicanos son elegibles para votar en el extranjero. Más de 20,000 cargos están en juego con un estimado de 70,000 candidatos compitiendo para convertirse en senadores, alcaldes y gobernadores.

El presidente saliente, Andrés Manuel López Obrador, quien es mentor de Sheinbaum, saludó a los partidarios mientras votaba. Sheinbaum dijo a los periodistas cuando fue a votar: "Este es un día histórico, me siento muy feliz".

Gálvez le dijo a los periodistas el domingo que no estaba nerviosa y estaba contenta con la gran afluencia de votantes. Agregó que esperaba que fuera un día largo y una llamada muy reñida.

Las mesas de votación abrieron a las 8 a.m. hora local y cerrarán a las 6 p.m., según el Instituto Nacional Electoral (INE) de México.

Sin embargo, el domingo, algunas mesas de votación en partes del país abrieron con retrasos. Se vieron largas colas en la Ciudad de México, Yucatán, Tuxtla, Cuauhtémoc y centros de votación en el extranjero.

Una mujer exasperada en la Ciudad de México, quien había estado esperando 40 minutos para que su lugar de votación abriera, dijo que no podría votar antes de que las urnas cerraran a las 6 p.m. porque tenía que ir a trabajar. "Si dan un horario, deberían respetarlo", le dijo a betfair site oficial .

Quien sea elegido se enfrentará a varios desafíos, que incluyen seguridad, delincuencia organizada, energía, inmigración y fortalecimiento de la relación Estados Unidos-México.

Fuera de las mesas de votación, los votantes dijeron que la seguridad pública era una de sus principales preocupaciones. La violencia ha sido una gran preocupación en esta elección, la más sangrienta en la historia de México. Docenas de candidatos y solicitantes políticos han sido asesinados por pandillas que intentan influir en quienes asumen el poder.

El INE guardó un minuto de silencio el domingo en memoria de las personas asesinadas durante este período electoral.

Aunque la tasa de homicidios en México cayó entre 2024 y 2024, en números absolutos, el país aún lucha con niveles históricamente altos de homicidios de alrededor de 30,000 cada año, según los expertos.

Tanto Sheinbaum como Gálvez han
