Seven Card Stud

Seven Card Stud is a classic poker game which can take a lifetime to master. In Seven Card 5 Stud, players are individually dealt seven cards throughout the course of the hand, but only the best five-card poker hand 5 possible for each player is used to determine the winner. View the Poker Hand Rankings for Seven Card Stud.

Unlike

Texas 5 Hold'em and Omaha, Seven Card Stud is usually played with a Limit betting structure, in which the bets are in 5 fixed increments. For example, in aR\$2/\$4 limit game the bets are in increments ofR\$2 on the first two betting rounds, 5 and increments ofR\$4 on the subsequent three betting rounds. PokerStars does not offer Pot Limit or No Limit Stud games 5 at this time.

Rules for Seven Card Stud

Ante

Before a game of Seven

Card Stud begins, all players ante a nominal amount 5 (the exact amount depends on the game, and is displayed in the table's title bar). This is the cost of 5 being dealt into the hand. For example, the ante isR\$0.15 in aR\$1/\$2 game.

Third Street

Each player is

initially dealt three cards, 5 two hidden hole cards and one face up. The player with the lowest exposed card is the 'bring-in', and is 5 forced to start the action. They must make either another nominal bet (the exact size of the bring-in depends on 5 the game) or, if they choose, a full bet of the lower betting increment. Action continues clockwise around the table 5 until betting is complete for the round.

Fourth Street

Each

player now receives another exposed card, called 'Fourth Street'. The first player 5 to act is the individual whose exposed cards have the highest poker value. For example, a player with an exposed 5 pair of Kings would act first, if no other player is showing a pair of Aces or better. This player 5 may either check or bet the lower structured betting amount (for example, R\$2 in a R\$2/\$4 game). Please see the 'Additional Stud 5 Rules and Situations' section below for an exception to this rule. There is a round of betting.

Fifth Street

Each player now 5 receives another exposed card, called 'Fifth Street'. Again the first player to act is the individual whose exposed cards have 5 the highest poker value. There is a round of betting. Starting on Fifth Street and for the rest of the 5 hand, all bets are in big bet increments (\$4 in a R\$2/\$4 game).

Sixth

Street

Each player now receives another exposed card, called 5 'Sixth Street'. Again, the first player to act is the individual whose exposed cards have the highest poker value. There 5 is a round of betting.

Seventh Street (or the River)

Each player now receives a seventh and final card, which is dealt 5 face-down and known only to the player to whom the card is dealt. The first player to act is the 5 individual whose exposed cards have the highest poker value. There is a final betting round, and if more than one 5 player remains, we reach the Showdown.

The Showdown

If there is more than one remaining player when the final betting round is 5 complete, the last bettor or raiser shows his or her cards first. If there was no bet on the final 5 round, the player in the earliest seat shows his or her cards first (Seat 1, then Seat 2, and so 5 on). Further hands involved in the Showdown are exposed clockwise around the table. The player with the best five-card poker 5 hand wins the pot. In the event of identical poker hands, the pot will be equally divided between the players 5 with the best hands. After the pot is awarded, a new online game of Seven Card Stud poker is ready 5 to be played.

Player Betting

Options

In Stud, as with other forms of poker, the available actions are 'fold', 'check', 'bet', 'call' 5 or 'raise'. Exactly which options are available depends on the action taken by the previous players. If nobody has yet 5 made a bet, then a player may either check (decline to bet, but keep their cards) or bet. If a 5 player has bet, then subsequent players can fold, call or raise. To call is to match the amount the previous 5 player has bet. To raise is to not only match the previous bet, but to also increase it. Bets and 5 raises in Limit games are in pre-determined amounts.

Additional Stud Rules

and Situations

For the purpose of determining the bring-in in Seven 5 Card Stud, ties in card rank are broken by suit. The suits are ranked in alphabetical order – clubs (lowest), 5 diamonds, hearts and spades (highest). The lowest suit breaks a tie, so if the deuce of hearts and deuce of 5 clubs are visible at the beginning of the hand, then the deuce of clubs would have the bring-in. (Note: The 5 ranking of equal hands at the Showdown is not determined by this rule.)

If the player with the lowest card showing 5 on

Third Street is all-in for the ante and they are consequently unable to make the required bring-in bet, the 5 bring-in moves clockwise to the next player at the table, regardless of the value of that player's exposed card.

On Fourth 5 Street, if any player shows a pair, the betting can optionally be opened or raised for one big bet (for example, R\$4 in a R\$2/\$4 game). Once someone makes the 'big bet' in this situation, the bigger bet amount continues for the 5 remainder of the Fourth Street betting.

Because

Stud games are played with eight players but there are only 52 cards in the deck, it's possible to run out of cards before Seventh Street can be dealt. In this very rare instance, 5 a single 'community card' will be dealt face-up on the table, which will be shared by all remaining players.

Other Stud 5 Variants

A variant of Seven Card Stud, called Seven Card Stud Hi/Lo (aka 'Stud Eight or Better' or 'Stud/8') is also available in PokerStars poker room. In this variant of Stud, there are two potential winners in each hand, one person for holding the best high hand and one person for holding the best low hand, provided the low hand is an eight-low or better. PokerStars also offers Razz. In this variant of Stud, the entire pot is awarded to the 5 best low hand, with no qualifier.

Donald Trump's caso criminal de hush-money en Nueva York ingresa a su segundo día de deliberaciones del jurado

Los miembros del jurado deliberaron durante aproximadamente cuatro horas y media el miércoles después de comenzar sus discusiones a alrededor de las 11.30 horas.

El miércoles, el jurado envió dos notas al tribunal por la tarde. Una nota fue una solicitud para volver a escuchar el testimonio de dos testigos clave en el juicio. La segunda nota fue una solicitud para volver a oír las instrucciones del juez Juan Merchan para ellos.

Después de recibir más información de los miembros del jurado sobre cuáles instrucciones querían que se repitieran, Merchan repasó las instrucciones solicitadas: querían orientación sobre

cómo interpretar las pruebas y extraer conclusiones de los hechos.

Merchan instruyó a los miembros del jurado durante aproximadamente una hora antes de que comenzaran a deliberar. Sus instrucciones sobre la ley estaban destinadas a informar a los miembros del jurado sobre cómo deben considerar los 34 cargos de falsificación de registros comerciales que enfrenta Trump.

Caso Trump: un resumen hasta ahora

- Donald Trump es el primer presidente de los EE. UU., presente o anterior, que se enfrenta a un juicio penal.
- Trump está acusado de falsificar registros comerciales en relación con el pago de R\$130,000 de su ex arreglador Michael Cohen a la estrella de cine para adultos Stormy Daniels antes de las elecciones.
- Los fiscales alegan que Cohen hizo el pago por orden de Trump para encubrir la afirmación de Daniels de una aventura extramarital y proteger sus posibilidades en la carrera.
- Trump, Cohen y el magnate de las revistas para adultos David Pecker supuestamente se reunieron en la Torre Trump en el verano de 2024 y acordaron mantener información perjudicial en secreto. El pago a Daniels, que se produjo más tarde, habría sido parte de ese plan.

Además de este caso, Trump también se enfrenta a tres casos penales adicionales: un procedimiento por intentar influir en las elecciones de 2024 en Georgia, otro por su comportamiento en relación con el asalto al Capitolio el 6 de enero y un tercer caso relacionado con su manejo de documentos sensibles después de dejar la Casa Blanca. Estos otros tres casos han sido pospuestos y es poco probable que se resuelvan antes de las elecciones de noviembre.
